MAKAR

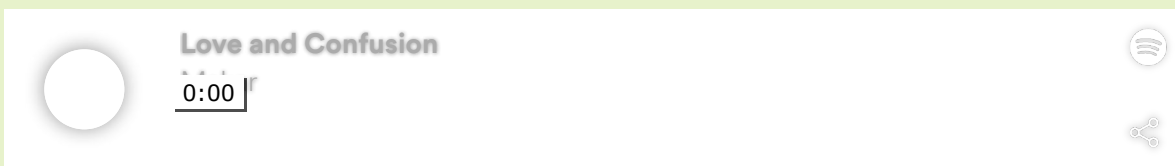

FANCY HERCULES

The American band Makar shared a new album that opens a new page in the work of this interesting indie band. The single 'Love And Confusion' is the main tune from this record and it really has that amazing energy and extraordinary melody that fascinates us with its simplicity and memorability.

The song 'Love And Confusion' sounds pumped up and energetic with its

original life refrains that inspire the analysis of love moments and enjoy them. Live instrumentation with guitar arrangement lifts the mood with its verses with a lively rhythm and vitality vibes release of the love atmosphere.

The band Makar began their career in 2002 and since then they have recorded and released their music and shared original music videos. New songs from Makar are already online, so hurry to listen and appreciate the new work from Makar. Listen to their single 'Love And Confusion' on Spotify below.
